Mission Statement: 'To foster friendships with our sister city that promote and strengthen our educational, economic and cultural ties to enrich the lives of our citizens.'

Gresham-Ebetsu Sister City Association

Since its establishment in 1977 the GESCA has been a vital part of Gresham and surrounding communities by bringing citizens together through activities such as our Student Exchange Program, and cultural events.

The GESCA is a nonprofit organization of unpaid volunteers. All revenue goes directly to our activities and necessary expenses.

Your membership and donor support ensure the continuation of our current and future programs. All member information is confidential and we do not sell or publish our member lists, however we may use a photograph taken at a GESCA event on our website or in printed material. Your membership fee and donations are tax deductible.
